### ***A word from your President*** **By Jeff Zuelke**

Well, we're into the last month of the first quarter of 2024. Inventory remains short but there are still buyers out there searching for homes. In short, not much has changed from the past couple of months. That said, we're now getting into what is normally, our more active time of the year. Hopefully, everyone will see an uptick in their business.

On March 7 we're having our first membership meeting of 2024. This will be unlike any membership meeting we have had in the past as we will have a guest speaker, in this case Michelle Laube with the City of Janesville Assessor's Office and then a panel which will be discussing our current real estate market and how to adapt. Our goal is to bring value to our membership by providing educational events and to create an environment for the exchange of information and to ask questions. We strongly encourage all our members to attend. And, to those that do attend, we ask for your feedback relative to the event. This will be an evolving concept so, any concerns or suggestion you might have would be very much welcome. Please feel free to reach out to Sue or Vicky or any of your Board members with any suggestions or concerns you might have.

On a final note, the Association is, once again, accepting pre-payments for 2025 membership dues Sue has sent out information regarding this program so, please, check your email for more information. If you haven't received the email message or if you have any questions about the program, please reach out to Sue at the Association office.

We appreciate all who are members of the Rock-Green REALTORS® Association and always welcome your thoughts as to how we can make your Association better.

*Happy March!*

*Jeff*

## ASSOCIATION NEWS

### A Note from your Association Executive:

Hello March! Well winter is almost over and the mixed temps are very deceiving to what season it really is. LOL! My wish to you is that this spring season finds you getting busy with all of your real estate needs and ventures. Please be safe!

I sure hope you can make it to the joint membership meeting/Mastermind program on March 7<sup>th</sup>. This will be the first of possibly 3 joint meetings. Please let us know your thoughts on this mixed meeting agenda. Did not Register?? It is okay, just come anyway and sign in. No problem.

The Cornhole Tournament that happened on February 3<sup>rd</sup> brought in great funds for Project 16:49. A Huge Thank You to all that helped with that project and played or attended.

We also took a bus to Realtor® & Government Day this year. On February 7<sup>th</sup> 11 of us hopped on a bus and took a relaxed ride to Madison. We had sandwiches, chips, a cookie and a drink. The ride was a bit bumpy but it was great not having to drive or find parking. When we left, after some of us having a cocktail and some great food, we hopped back on the bus and headed for home. It would be great to have even more participation and get a little better bus. So, watch emails and newsletters for the date for the next Realtor & Gov't Day 2025 and join us on the bus.

### STILL Looking for help with our events for 2024.

You can always help with the planning stages for any Rock-Green events. Or, you can help behind the scenes or at the event, there is always a lot to do, remember many hands make light work. Maybe your specialty is fundraising or collecting/creating auction baskets we always need help there. Or, maybe you are very creative and can help with advertising/making flyers for our events. No need to join a committee just be there when we need you. Call me, Vicky @ 608-755-4854

## MLS INFORMATION:

### \*\*\*FSBO

Please use the following guidelines when entering FSBO & One-Party comp sales:

- Do not enter FSBOs or One-Party listings on the MLS until **after** closing
- Enter the status as **Sold** (not Active)
- For **list date**, use the contractual list date. For FSBO properties with no listing contract, use the date on which the owner began marketing the property to the public, if known, or the date of the first showing (must be the accepted offer date or earlier). The listing input time frame does not apply to sold comps.
- For **expiration date**, use the contractual expiration date. If there is no listing contract, use the closing date.
- Room dimensions, if unavailable, are not required, but room types and levels are. All other listing rules that apply to active listings apply to Sold Comps, including [photo requirements](#).
- For **One-Party listings**, the list side should be recorded as the actual Listing Agent, and the sale side should be recorded as the actual Selling Agent. Please note "one-party listing" in the broker remarks.
- For **FSBO sold comps**, enter the buyer agent on both sides, and then select **FSBO Comp – Not Listed** under the Sale Factors pick list. This will cause the list agent/office to be automatically changed to **FSBO Comp** when the listing is saved. Please be sure to add a photo before saving, as you will no longer have access to edit the listing or add a photo after the list side is changed.

### \*\*\*New Functionality - Add & Edit Listings From Any Device!

Paragon Connect is a web application that offers the same functionality as the desktop version of Paragon, but is optimized for use on tablets, phones, and other browser-enabled mobile devices. Within Paragon Connect, you already have the ability to search for properties, manage contacts and saved searches, create CMAs, and schedule showings. Starting January 30th, you'll also be able to add & edit listings from any device! Not only will you have access to handy features like tax autofill, you'll now be able to upload listing photos & documents directly from your phone or tablet!

The access level you have in Paragon is the same in Paragon Connect. For example, agents with standard Realtor level access can modify most fields on their listings (except those that are contractual in nature), and can also add partial listings, which can then be published as a live listing by someone with Office Staff, Manager, or Broker level access.

There is a video link to assist you on Paragon.

To access Paragon Connect from your desktop/computer, click the **Resources icon** and choose **Paragon Connect**. From your mobile device, tap on link on Paragon and then choose "**Launch Paragon Connect**". Once you're logged in, you can add it to your phone's home screen for quick access later.

## Rock County Housing Statistics

Madison, WI—Both new listings and total listings saw improvement in January. New listings were up 10.1% in January 2024 compared to January 2023, and this helped to drive total listings up 2% over that same period.

Even with more homes finding their way onto the market, there continues to be a significant seller's advantage with just 2.5 months of inventory in January. A balanced market would have approximately six months of supply.

Statewide months of supply did improve 19% over the past 12 months rising from 2.1 months of supply in January 2023 to 2.5 months in January 2024. Inventory levels were slightly higher in rural counties, at 3.4 months, compared to urban counties. Specifically, large metropolitan areas, which are those with a population of 50,000 and larger, had 2.2 months of supply in January; and smaller micropolitan areas, which have populations between 10,000 to 49,000, had 2.6 months of supply.

**Mary Jo Bowe**, 2024 Chair of the WRA Board of Directors, **IMPROVED LISTINGS HELP BOOST SALES:** "Sales activity always slows during the winter months, and January is typically the slowest month for closings each year. However, the improvement in listings has resulted in a nice bounce in sales to start the year. New listings have grown on an annual basis in each of the last four months, and hopefully that trend continues."

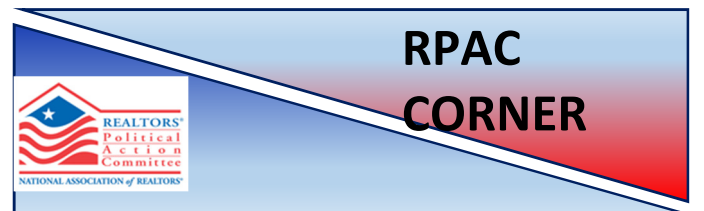

**Tom Larson**, WRA President and CEO tells us, **SELLER'S MARKET REMAINS WITH PRELIMINARY SIGNS OF INVENTORY GROWTH:** "We are still in a seller's market, and the significant unmet demand for homes by millennial buyers will probably keep it that way for the foreseeable future. However, it is encouraging to see new listings increase in each of the last four months, and they were up by just over 10% in January. Sustained growth in listings is key if we are to move toward more balanced markets."

**Dave Clark**, Marquette University Economist and WRA Consultant, **FED RATE CUTS MORE LIKELY LATE IN THE YEAR** "The January inflation report from the U.S. Bureau of Labor Statistics showed improvement in headline inflation from the small inflationary spike we saw in December, but the January rate of 3.1% was the same as the rate from November. The Fed actually focuses on core inflation, which factors out the more volatile food and energy prices, and the January core inflation rate was 3.9%. This is well above the Fed's 2% target, which was unchanged from December. What this means is that The Fed is likely to hold off on any cuts to the Federal Funds Rate until it sees more progress on inflation."

**Rock County Housing Statistics**—The median price for January 2024 is \$237,450 and for the month of January in 2023 it was \$236,250 that was an increase of +0.5% and the **Sales** for January 2024 is 118 and January of 2023 was 120 that was a decrease of -1.7%. In January of 2024 there was 2.5 months of **inventory** and in January of 2023 there was 1.8 that was a +38.9% change. Average **days on the market** in January of 2024 was 77 and January of 2023 was 74 that was a +4.1% change.

**Statewide Housing Statistics**—The median price through January 2024 is \$265,000 and through January of 2023 it was \$250,000 that was an increase of +6.0%. The sales through January of 2024 is 3,436 and through January of 2023 was 3,200 and that was a +7.4% change.

All county figures on sales volume and median prices are compiled by WRA and are not seasonally adjusted. Median prices are only computed if the county recorded at least 10 home sales in the quarter. Beginning in 2018, all historical sales volume and median price data from 2015 forward at the county level have been re-benchmarked using the Relitix system that accesses MLS data directly. Data prior to January 2015 is derived from the Techmark system that also accessed MLS data directly.

**Our trip to Madison for REALTOR & Gov't Day was a great day! Started with a bus trip including lunch and then a few words from Governor Evers, a trip to the Capitol to meet with our legislatures, then we ended our day at a yummy reception and then we had a safe trip home. Join us for R&G Day 2025 and help us fill the bus. This was a great trip for only \$10. Many thanks to our sponsors, Marianne and Rich Walker, Jeff Zuelke, Paula Carrier, Tony Dransfield, Jennifer Moran, Matt Lee and Wade Williams. Please let me know if I missed anyone.**

**Wishing all March birthdays the best!**

½ tsp. baking powder  
4 eggs, separated (room temp)  
¾ c. sugar  
1 T. water  
2 T. butter, melted

Butter the indented flan pan well. Preheat oven to 400°. Combine flour and baking powder; set aside. Beat egg yolks until light. Gradually add ½ cup of sugar and beat until thick. Add water and vanilla while beating. Stir in butter. In a separate bowl, beat egg whites until soft peaks form. Add remaining ¼ cup sugar and beat until soft peaks form. Spoon half of the egg whites over egg yolks and sift half the flour mixture over egg whites. Gently fold the 3 mixtures together with rubber spatula. Repeat. Pour into flan pan and bake 12 to 15 minutes, until golden. Turn out, upside down, on a cooling rack immediately.
