## A word from your President By Jeff Zuelke

Well, I sure didn't think I would be writing a message for the Rock-Green REALTORS® Association newsletter again!

Thanks for the opportunity to serve another term as your Association President. Thanks, too, to all of those that served the Association last term whether as one of the Board members or on a committee or just as a volunteer to help the various Association Activities run smoothly. We welcome and appreciate those that will be serving during the 2023-2024 term. Your generous giving of time is much appreciated and will benefit all in the Association. I also want to thank Vicky and Sue for all their help and support over the past many years. Your help makes things happen within our Association.

As we move into another term one of our goals is to work to add value to your membership. We've had discussions about education panels, evergreen videos of frequently asked questions and other ideas. We would very much welcome any ideas any of our members might have to help the Association in this direction. Please reach out to Vicky, Sue, me, or any other Board member with your ideas. This is your Association and we would like you to get the best value possible out of your membership.

Finally, please remember to attend the RPAC After 5 event on October 25<sup>th</sup> at The Barn on Prairie. The event runs from 5:00 p.m. to 8:00 p.m. and is always a whole bunch of fun and for a great cause. There will be all kinds of prizes, great food, a band and live and silent auctions. All the proceeds from this event go toward our REALTOR® Lobbyists (RPAC) and their work supporting REALTOR® friendly causes and REALTOR® friendly candidates. We look forward to seeing all of you on the 25<sup>th</sup>!

*Happy October!!*

*Jeff*

## ASSOCIATION NEWS

2

### A Note from your Association Executive:

Happy Fall, I know a lot of you totally enjoy this time of year. Personally, I like it hot. But I do enjoy the fall colors and everthing this season can be.

I did just return from the WRA Convention at the Kalahari in the WI Dells this past Monday. Where one of our members received a RPAC Extraordinary Award. Make sure to congratulate Mary Gilbank-Peterson on her RPAC Award. It is with great leaders that we can succeed on such a high level. Congratulations Mary!

A Huge thank you to all that attended the Installation program on September 21<sup>st</sup>. There were 86 members signed up, which is the most in attendance in a long time. We had to say thank you for your service to Connor Fox for stepping up to TWO consecutive terms in office, which were two great years. And, for Jeff Zuelke who is also serving his second term for our Association. Thank you both and I know Jeff will do a great job for the Association and it's members. And, another huge thank you to all the Past Presidents and Affiliates that attended, without all of you we would not be what we are today. Thank you to you all!

Another great event is coming up on October 25<sup>th</sup> at The Barn on Prairie. This event is from 5 p.m. to 8 p.m. There will be great food, entertainment and a live and silent auction with all proceeds to go to RPAC for our team at WRA to advocate for us and our customers and clients

### STILL Looking for help with our events for 2023/2024.

You can always help with the planning stages for any Rock-Green events. Or, you can help behind the scenes or at the event, there is always a lot to do, remember many hands make light work. Maybe your specialty is fundraising or collecting/creating auction baskets we always need help there. Or, maybe you are very creative and can help with advertising/making flyers for our events. No need to join a committee just be there when we need you. Call me, Vicky @ 608-755-4854

## MLS INFORMATION:

### \*\*\*Do Not Enter Without a Confirmed Appointment

The security of clients' properties is a top priority for all of us. If an agent accesses a keybox without a confirmed appointment, even if it is a vacant home, the agent and their broker may be assessed a fine of \$500 each. These fines double, and Supra eKEY access may be suspended for a second offense. These penalties are guidelines, and may be more severe depending on the circumstances. A seller can also bring trespass charges against any agent without a confirmed appointment. Before accessing a property, please double check the address & ensure you have permission.

### \*\*\*Front Exterior Photo Reminder

When entering a new Single Family, Condo, or Multi Family listing, please remember to include a front exterior/street view of the home, even for waterfront properties. It does not need to be the primary photo, and can appear anywhere in the order. Having a view from the street is useful not only to agents when showing the property, but also to appraisers.

### \*\*\*Identifying Cash Offers - New Y/N Question at Time of Sale

The MLS Committee and Board of Directors recently voted to begin collecting whether or not there is a financing contingency at the time the offer is *accepted*. Currently, when moving a listing to Sold status, you are required to enter the type of financing at *closing*. Beginning September 5, you will be prompted with this new question when moving a property to Sold Status: *Cash offer at acceptance?* This new question will be required. Hopefully this new data point will be helpful when analyzing sold data.

### \*\*\*Google Verification Code Scam -

There have been reports of parties contacting agents with a reason they need the agent to share a Google verification code with them. An example in our marketplace is a scammer claiming to be a cash buyer, forwarding a link to their proof of funds letter, and asking the agent to provide a verification code in order to access it. In Paragon™ there is a like to the Federal Trade Commission on this subject.

### \*\*\*Still Filling out Paper Profile Sheets for New Listings?

All agents have the ability to enter listing data directly into Paragon (Listings -> Add Listing) and save it as a partial. This option streamlines the add listing process by allowing agents to directly key in listing data as opposed to filling out paper profile sheets. Partial listings can then be reviewed and saved as live listings by users with office administrative access.

When entering a partial listing, an agent should make note of the partial listing number that is assigned so they can pass it on to their office listing administrator (along with any documentation required by their office). If the listing should be entered in a status other than Active, that should also be noted. Administrators can

then pull up the partial listing to complete under Listings -> Maintain Partial.

#### A Few Tips:

- Save time by using Tax Autofill to pull in data from public records.
- Some fields have a magnifying glass icon, which will display the available selection options for that field. Other fields have a question mark icon, which will provide an explanation of how to complete the field.
- Select "Save as Partial" several times along the way to save your work.
- Photos and documents can be added via the links to the left of the data entry fields.
- Before handing off to your administrator, click "Save Listing" to trigger input rules to make sure you have not missed any required information. Click the red triangle to jump to the field that contains missing information. Status will be entered by your administrator.

## Rock County Housing Statistics

Madison, WI—The Wisconsin existing home market continued to see weaker sales and higher prices compared to last year even as the inventory situation improved slightly. August home sales fell 18.3% compared to August 2022, and the median price rose 10% to \$300,000 over that same 12-month period.

Statewide inventories rose 13.3% from 3-months of available supply in August 2022 to 3.4 months of supply in August 2023. This is the second straight month in which months of inventory have inched upward, but they are still below the six-month benchmark that characterizes a balanced market. The improved inventories are due in part to new listings. While new listings for August 2023 were 2.9% below those of August 2022, this is a much lower annual decline than July, when inventories were down 17.7%, and also in the previous 10 months, when inventories were down between 22.1% and 32.6%.

**Joe Horning**, 2023 Chair of the WRA Board of Directors, **PROMISING NEWS ON NEW LISTINGS:** “It was encouraging to see the 12-month decline in new listings tail off so dramatically in August. We’ve been accustomed to year-over-year reductions in new listings that exceed 20%, so hopefully this signals a turning point in our inventory problems.”

**Michael Theo**, WRA President and CEO tells us, **RISING MORTGAGE RATES POSE AN ONGOING PROBLEM:** “Mortgage rates are moving in the wrong direction. The average 30-year fixed-rate mortgage increased to 7.1% in August from 5.2% just a year ago. We’re seeing what this does to affordability, and it’s keeping some first-time buyers on the sidelines. Hopefully we see rates begin to fall as we move out of the peak season for home sales.”

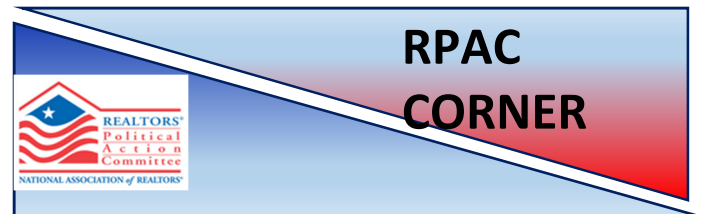

**Dave Clark**, Marquette University Economist and WRA Consultant, **CORE INFLATION STILL DECLINING:** “Although headline inflation has ticked up in each of the last two months, that is not the measure that the Fed uses to gauge inflation. Instead, the Fed focuses on the core inflation measure that excludes food and energy, which tend to be volatile. The good news is that core inflation has been falling since March. Hopefully this progress on core inflation means the Fed doesn’t need to further slow the economy to lower inflationary pressures.”

**Rock County Housing Statistics**—The median price for August 2023 is \$250,000 and for the month of August in 2022 it was \$245,000 that was an increase of +2.0%

and the **Sales** for August 2023 is 205 and August of 2022 was 265 that was a decrease of -22.6%. In August of 2023 there was 3.2 months of **inventory** and in August of 2022 there was 2.8 that was a +14.3% change. Average **days on the market** in August of 2023 was 55 and August of 2022 was 61 that was a -9.8% change.

**Statewide Housing Statistics**—The median price through August 2023 is \$286,000 and through August of 2022 it was \$265,000 that was an increase of +7.9%. The sales through August of 2023 is 41,715 and through August of 2022 was 53,876 that was a -22.6% change.

All county figures on sales volume and median prices are compiled by WRA and are not seasonally adjusted. Median prices are only computed if the county recorded at least 10 home sales in the quarter. Beginning in 2018, all historical sales volume and median price data from 2015 forward at the county level have been re-benchmarked using the Relitix system that accesses MLS data directly. Data prior to January 2015 is derived from the Techmark system that also accessed MLS data directly.
